ABOUT ME

Hardworking and enthusiastic college student working towards a MSc in Computer Engineering and Big Data profile. Interested in Front-End development and SPA's. Seeking to use my knowledge of Software Engineering and my technology skills to effectively serve your company as a Junior Front-end Developer.

EXPERIENCE

JUNIOR FRONTEND DEVELOPER, NETFIRE LLC — 2024 - 2025

- Independently handled development tasks from conception to deployment.
- Conducted thorough testing to ensure product quality and functionality.
- Successfully deployed applications to production environments.
- Collaborated with senior developers to learn and improve coding practices.

JUNIOR FRONTEND DEVELOPER INTERN, ALCODERS — Aug 2023 - Nov 2023

- Assisting the senior developers in designing and implementing user interfaces for web applications
- Collaborating with the team to understand and contribute to the development of web projects.
